

ST NINIAN' S PARISH ANNOUNCEMENTS

PARISH PASTORAL COUNCIL MEETING (PPC)

The Parish Pastoral Council will meet after Easter on Wednesday 22 April at 7pm. Names of members of the council and all other parish ministries will then be displayed on the church notice boards.

CC Juniors

The next CC Juniors will take place on Thursday 23rd April at 3:15. We would love to see lots of the children take part. Please confirm attendance to Louise on 07977537230.

School Connections

Last week the gardeners had a lovely afternoon working with the children from St Ninian' s Primary School yesterday. Over thirty enthusiastic children arrived to work alongside us to plant bedding plants, fill the wildlife stations, dig a new border for future plants and then

help with tidying up! There was lots of chat and many suggested that they would like to go home and do some gardening of their own which is wonderful! A different group will come next week for jobs such as planting bulbs, seeds and more bedding plants, repairing the bug hotels and generally having fun.

CC' s Refurbishment

Hall works have slowed a little due to other work commitments but the old boiler area will complete early next week. Phase 2 will be cutting walls for the new windows.

That will leave the kitchen to be fitted in phase 3. *Jim Hampton*
